Important Questions to Ask When Selecting a Home Inspection Company...

Q. Aren't all home inspectors the same?

A. All Pennsylvania Home Inspectors are regulated by the PA Home Inspection Law so there is some consistency in the inspection methods, reporting, and insurance coverage.

But that is where the similarities STOP!!

Experience, thoroughness and rigorous training make our inspectors the best in the industry. **HOMECHek™** has been inspecting homes in Central Pennsylvania since 1992.

Q. How quickly can I get my home inspection done?

A. Because we have multiple inspectors and a helpful, knowledgeable staff in the office, we can usually schedule your inspection within 3 days and we do Saturdays at no additional charge.
